G.O.Ms.No. 288

Dated: 11-12-2008.
Read the following:-

- 1) From the Commissioner of Technical Education, Andhra Pradesh, Hyderabad, Lr. No.E3/1571/2008, dt. 23-01-2008.
- 2) Govt.Memo.No.1055/TE.II/2008-2,HE (TE.II) Department, . dt.4-6-2008.
- 3) From the Commissioner of Technical Education, Andhra Pradesh, Hyderabad , Lr. No.E3/1571/2008, dt. 13.5.2008 & 14.6.2008.

ORDER:

In the reference 1st read above, the Commissioner of Technical Education, Andhra Pradesh, Hyderabad has stated that the need of technical man power to the industry is 1:4 among Graduate Engineers and Diploma Engineers and at present in Andhra Pradesh, the ratio between Graduate Engineers and Diploma Engineers is 5.75:1 which is not commensurate with the need. Hence, it is felt desirable to encourage establishment of new Diploma Institutions in the State to cater to the present need of the Industry and infrastructure development.

2) The Commissioner of Technical Education has further stated that the aim of the Government is to provide quality Technical Education to rural poor with minimal cost. Accordingly, the private sectors are being asked to establish Diploma Institutions on not-for profit basis. However a viability gap is prevailing between the cost of establishment and running a Polytechnic and the revenue generated in the shape of collection of fees. Further, it is noticed that 19 Revenue Divisions in 12 Districts of the state are not having Polytechnics, either in Government or in private sector. It is therefore, felt desirable to extend Technical Education to all the above uncovered areas of the State and also to provide facilities of technical education to the rural poor. He has therefore proposed an ‘ Incentive Polytechnic Scheme’ to attract private managements for establishment of Polytechnics in the uncovered Revenue Divisions of the State.

3) With a view to encourage the private managements in establishing of Private Polytechnics, in the uncovered Revenue Divisions the Commissioner of Technical Education has proposed to offer them the following Incentives Scheme and requested the Government to accord permission to introduce the same.

- 1) Five (5) acres of Govt. land, wherever available in the Revenue Division
- 2) An incentive amount of Rs.4,500/- per each passed out student per year for three batches of admissions to be completed in five years.
- 3) To exempt Land Registration charges to the Society/Trust in the listed 19 Revenue Divisions wherever Govt. land is not available for establishment of private un-aided Polytechnics.

4) Government, after careful examination, hereby accord permission to the Commissioner of Technical Education, Andhra Pradesh, Hyderabad to introduce the ‘ Incentive Polytechnic Scheme’ as indicated in para (3) above, so as to encourage the Societies/Trusts for establishment of new Private un-aided Polytechnics in the uncovered 19 Revenue Divisions in 12 Districts of the State as shown in the annexure to this order, where there is no polytechnic, at present with a view to provide access to Technical Education in such areas.
